

PAINTED ROCK COLLECTION

Name: _____

Date: _____

Have you been out walking and seen wild animals and wished you could keep one as a pet? Painted rocks have become one of the most addictive crafts for kids and adults!

Materials you will need include:

Small to medium sized rocks

Acrylic Paint

Paint brushes

Animal Inspiration

Mod Podge

Step 1:

First wash and dry the rocks to get dirt and dust off them. Let the rock dry so that the paint will stick to the rocks.

Step 2:

Find a photo for inspiration to help guide you when painting your insect or animal.

Step 3:

Now add the paint! You may need to do a few coats of paint to get the design you are hoping for.

Step 4:

Once the rock has dried, you can paint it with mod podge or PVA glue so that your rock collection is water proof!
