

THE LORAX

ReForest London
planting the future today

Name: _____

Date: _____

HOW CAN WE HELP PROTECT
THE EARTH AND ALL OF THE
CREATURES THAT LIVE HERE?

Materials:

-The Lorax by Dr. Seuss (either the book or the movie)

You can find this movie on Netflix & you can find a read-aloud version here: <https://youtu.be/EdWesdMfyd4>)

-Markers/crayons/pencil crayons

Instructions:

1. Read, watch, or listen to The Lorax.
2. Complete the activities on page 2.
3. Make a pledge to take one action for the environment.
4. Create your own UNLESS stone on page 4.

"I am the Lorax. I speak for the trees."

THE LORAX

ReForest London
planting the future today

Talk about what pollution means, and what sorts of activities pollute our Earth.

Draw a picture of air pollution below:

Draw a picture of water pollution below:

Earth Pledge

Trace your hand print. Then write down one action (or more!) you will take to protect Earth from people like The Once-ler. Put it somewhere to remind you to care for our environment. Decorate it if you wish!

***"UNLESS someone like you cares a whole awful lot, nothing is going to get better. It's not."
- The Lorax***

Materials:

- One large rock
- Paint

Instructions:

1. Find a large rock. A brick or flat piece of wood would do as well.
2. Think about what the quote at the top of the page means to you.
3. Paint the word "UNLESS" on your rock. You can decorate around it too!
4. Place this stone in your garden or at the base of your favourite tree as a reminder to care about the environment.
5. Take a photo of your "UNLESS" stone in its new spot, and share with us on social media!
