WHAT DOES THE WORD "NATURE"
MEAN TO YOU AND HOW ARE YOU
CONNECTED TO IT?

Materials:

- Paper
- Pencil or pen

Take a walk in your backyard, or in a nearby park or natural area.
Pay attention to what you see, hear, feel, and smell.
Think about how you feel indoors versus outdoors.

Record your observations on the paper, thinking about how your
observations relate to nature.

On the other side of the paper, answer the question "what is
nature?" You can use words, pictures, and mind maps - be
creative!
