

# Empower your brand, enrich your community

Partner with ReForest London for a greener future.  
Explore our sponsorship opportunities today!

## Park Naturalizations

Make a lasting impact on our environment! With a \$5000 investment in our Parks program, your business can host an exclusive, private planting event. Imagine your team, our dedicated staff, and expert Tree Specialists uniting for a memorable day of tree planting all thanks to your business.

Strengthen your commitment to sustainability, enhance your brand visibility, and showcase your dedication to the local community!

## Community Tree Giveaways

Showcase your dedication to sustainability and community by hosting a Tree Giveaway at your location! For a \$2500 commitment, our expert staff and volunteers manage the entire event from start to finish.

Envision your brand taking center stage, capturing the attention of the hundreds of Londoners present, and captivating over 10,000 Eco Enthusiasts who actively engage with us on social media.

## Trees for Teachers

Sponsor our Trees for Teachers program, in partnership with TVDSB and LDCSB, to foster environmental education and action through workshops, tree planting, and seedling growing.

With a \$1000 sponsorship, leave an educational legacy, align your brand with sustainability, and enjoy social media acknowledgments, website logo placement, and inclusion in the Professional Development Day presentation.

Partnering with ReForest London makes a lasting impact on the environment, enhances your brand image, and connects you with your community. By supporting us, you'll showcase your commitment to sustainability and tap into a growing market of environmentally conscious consumers.

With a proven track record and expert team, we're the perfect CSR partner.
